

REMARKS

Claims 1-22 are allowed.

By this Amendment, claim 22 is amended.

In particular, a typographical error was introduced into claim 22 in the March 28, 2005 Amendment. Specifically, claim 22 was intended to be amended in the March 28, 2005 Amendment in a way similar to that in which claim 21 was amended. Unfortunately, a typographical error occurred in claim 22, resulting in a grammatical error. A comparison between the amendments made to claim 21 and those made to claim 22 in the March 28 Amendment reveals that claim 22 should be corrected by further amendments contained in this Amendment for proper grammatical structure.

Entry of these further amendments to claim 22 is needed for proper disclosure and protection of the invention. These further amendments to claim 22 do not affect the patentability of claim 22. No substantial amount of additional work is required on the part of the Office. Accordingly, entry of the amendments to claim 22 is proper.

Should the Examiner believe that anything further would be desirable in order to place this application in even better condition for allowance, the Examiner is invited to contact the undersigned at the telephone number set forth below.
